HUGHES WINS BY 35,000 TO 40,000

UP-STATE CITIES FOR HEARST BY A SURPRISING VOTE

League Candidate Ran Best in Industrial Centres, Carrying Many Republican Strongholds.

Hearst's vote in the cities up State was a surprise. He ran strong in every city and carried Buffalo, Rome, Utica, Elmira and others. In those carried by Hughes the plurality was much less than that of Higgins two years ago.

ROME. Nov. 6.—This city gives Hughes 1,730; Hearst, 1,926, a plurality of 196 for Hearst, a gain over Higgins in 1904 of 16.
UTICA. Nov. 6.—Hearst carries Utica by 1,000. Higgins carried it by 800.
ELMIRA. Nov. 6.—Elmira complete gives Hearst 696 plurality.
BUFFALO. Nov. 6.—Returns, covering all districts in Buffalo, show that the city has been carried by Hearst by plurality. The county is in doubt.
GLOVERSVILLE. Nov. 6.—Gloversville goes for Hughes by 621 plurality.
JOHNSTOWN. Nov. 6.—This city gives Hearst a plurality of 5.
UTICA. Nov. 6.—Complete returns of the city vote are: Hughes, 6,513; Hearst, 6,766.

AMSTERDAM. Nov. 7.—Hughes carries this city by a plurality of 170.

ROCHESTER. Nov. 6.—Rochester complete gives Hughes, 18,000; Hearst, 16,000; plurality, 1,000. In 1904 it gave Higgins 4,460 plurality.

LITTLE FALLS. Nov. 6.—Little Falls complete, gives Higgins, 1,119; Hearst, 1,220; plurality for Hearst of 113.

TROY. Nov. 6.—The city vote complete is: Hearst, 2,232; Higgins, 2,086.

Hearst's plurality, 166. Higgins carried the city two years ago by 143.

SYRACUSE. Nov. 6.—Complete, Hughes, 11,556; Hearst, 11,750. Plurality for Hearst, 194. Higgins had a plurality here of 5,140 two years ago.

**HEARST WAS
CONFIDENT OF
HIS ELECTION**

Declared He Had Won Just After Big Vote Up State Was Reported.

Crowd of Notables at Police Headquarters to Get the Returns.

With satisfaction written all over his face Mr. Hearst left his house at 6:45 o'clock, just after the first complete returns came in from up-State cities, and with his wife and his lawyer, Clarence Searns, went to the Cafe Martin, where he ate a hearty dinner.

"I have been confident all day," he said. "The returns from cities and counties up the State show that I have been safely elected. I will carry Brooklyn in the fact of all opposition I had there, and my majority in New York will be enormous."

Lewis Stuyvesant Chandler entered the headquarters of the Democratic State Committee just before 7 o'clock this evening and announced that Mr. Hearst was elected by 40,000. Asked for figures, he laughed and said he could not give them out.

State Chairman Conners had not arrived at that time and no official figures could be secured in his absence. Later Mr. Hearst said: "The few telegram messages I have received are very encouraging. I believe I will win. I expect 200,000, but even if this is cut, shall be satisfied."

GUILD BEATS MORAN IN BAY STATE FIGHT

BOSTON, Nov. 6.—The returns so far indicate the re-election of Gov. Curtis Guild, Jr., by a majority of about 2,000, or \$8,000 more than he received a year ago. In Boston Guild received about the same vote as last year but gained in nearly every other part of the State, though Moran polled a heavier vote than old Bartlett last year.

135 precincts out of 200 in Boston give Guild 36,133, Moran, 47,823. Same precincts last year gave Guild 29,776; Bartlett (Dem.) 45,421.

ROCK A BADLY BEATEN MAN

Returns from ten of the seventy election districts in the Fourteenth Senate District give Grady 1,885, Rock 818.

McCARRON'S HIT AT HEARST.

With returns from half of Brooklyn in, Patrick H. McCarron estimated that Hughes would carry Kings County by 5,000. "I guess Mr. Hearst thinks something of our opposition now," he added.

McCarron claims election of Democratic Judiciary ticket by 10,000.

REPUBLICANS CARRY VERMONT BY 5,000

CONCORD, N. H.—Charles M. Floyd, Republican, is elected Governor by more than 5,000 plurality.

MICHIGAN RE-ELECTS REPUBLICAN GOVERNOR

DETROIT, Mich., Nov. 6.—Gov. Warner (Rep.) has carried by a majority of 6,671, the cities of Lansing, Hillside and Adrian, which he lost in 1904 by 172 votes. The vote is only about two-thirds that of 1904.

GOV. CUMMINS LOOKS LIKE IOWA WINNER.

DES MOINES, Ia., Nov. 6.—Iowa's vote on Governor is large. Cummins's plurality of 1903 will be much reduced, but indications point to his election.

HEARST CARRIES CITY BY 70,000; UP-STATE VOTE SWAMPS HIM

Figures Indicate that the Republican Vote Down to the Bronx Will Run from 105,000 to 115,000--Tammany Judiciary Ticket Wins.

With two-fifths of the State heard from outside the city, Hughes gets 203,509, Hearst 159,198. Same districts two years ago gave Higgins, Rep., 230,331; Herrick, Dem., 167,595.

This indicates that the State above the Bronx will give Hughes about 105,000 plurality, against the 160,000 that Higgins got.

In Greater New York, 270 Election Districts out of 1,487 give Hearst 51,962, Hughes 40,062.

This indicates that Hearst will carry Greater New York by about 71,000.

These figures would elect Hughes in the entire State by about 34,000.

GREAT CROWDS WATCH RETURNS

Enormous crowds gathered from the lower end of Broadway clear through to Harlem to witness the flashing of the returns on the huge sheets that made white patches on the face of the city at a hundred different points.

In Brooklyn, in Long Island City, Williamsburg and in the Bronx there were crowds packed thick and black in front of all the newspaper offices and the various political headquarters.

But it was on Broadway and notably at Park Row, at Herald Square and at One Hundred and Twenty-fifth street that the greatest, biggest, noisiest multitudes collected. Park Row, in front of the Pulitzer building, was black with people and vocal with the music of noisy tin horns and noisier human lungs long before the first news was flashed on the big white bulletin board of The Evening World.

Through the evening and the next set of returns after another came piling out piping hot, the thousands the acre-wide stretched and rankled humanity spread and swelled as fresh additions flocked in. Viewed from the vantage of an upper floor the scene below made one think of a lake of restless moving bodies, all black, except where the patches of light fell on upturned faces.

Certainly the crowd there was noisier than elsewhere. A better nature, more enthusiastic swarm of citizens never gathered anywhere. Mostly the bulletin-watchers were men, but here and there one could spy a girl or a woman blowing her horn just as valiantly as if she had a vote herself.
